

Criw Celf: Project Information

General Project Information

Criw Celf is a National Arts Council Project delivered across Wales.

At Carmarthen School of Art @ Coleg Sir Gar we deliver the following Criw Celf Projects: Portfolio and Raising the Bar.

Portfolio is aimed at learners in school years 10 & 11 (GCSE)

Raising the Bar is aimed at learners in school years 12 & 13 (AS & A Level)

Carmarthen School of Art has been fortunate enough to deliver the project for the past nine years, working closely with schools, colleges, home educated communities, local authorities, creative industries and organisations.

The projects have been a huge success and we are proud to have been able to positively impact upon progression and creative journeys taken by hundreds of young artists in West Wales.

As a part of both Portfolio and Raising the Bar learners will be invited to:

- Attend Five Masterclasses @ Carmarthen School of Art Jobs Well Road Campus
- Partake in an educational visit
- Exhibit work in an end of year public exhibition
