

FACIAL THERAPIES

Microdermabrasion Peel Professional £40 (40 mins)

An amazing aesthetic treatment that can rejuvenate all skin types. It is very effective on aged, damaged, hyper-pigmentation, acne, scarring and congested skin conditions. An enzymatic peeling paste and pre-peel lotion is applied, followed by sweeping of fine crystals to deeply exfoliate and resurface the top layer of the skin. Experience an improvement in skin texture, pigmentation disorders and reduction of wrinkles or simply to reveal clear, smooth and radiant skin.

Non Surgical Face Lift using CACI Technology £35 (60 mins)

A sophisticated treatment that helps tone, tighten, lift and re-educate the muscles. Immediately fine lines are noticeably softened, the production of collagen and elastin increased, the skin is plumped out with moisture and refined. Even after one treatment the visible difference is dramatic and youthful.

Advanced Electrical Facial: £30 (60 mins)

A customised facial using a combination of advanced specialist treatments to improve all skin conditions (anti-ageing, oily/congested, environmentally stressed or in need of revitalising). You will see and feel a complete difference after your very first treatment - a radiant complexion and velvety smooth skin.

Visage Facial: £15 (60 mins)

The Kaeso facial to include a specific treatment mask and acupressure drainage massage for the delicate tissues of the eyes. The Priadara facial includes cleanse, exfoliation and prescribed mask, to leave the skin feeling refreshed and rejuvenated.

Express Facial : £10 (30 mins)

Facial includes deep cleanse, exfoliation and mask.

SPECIALIZED BODY ELECTRICAL TREATMENTS

Including Consultation

Figure and Skin Correction Body Electrical Treatment :

£15 (60 mins)

A thorough consultation will be performed and specific figure correcting treatments will be professional prescribed according to your needs to target problem areas. A range of treatments are available such as Galvanic, Electrical Muscle Stimulation, G5, Microdermabrasion and Vacuum Suction. Benefits of the treatment are an improvement in the appearance of cellulite and stretch marks, skin texture, toning, firming and re-contouring the figure.
